Terms and Conditions of the Assisted Waste Service:

- Applications are non-transferable and apply only to the approved applicant and property.
- Applicants are responsible for any costs associated with their application.
- Applications may be refused where the City or its contractor determines that a property is unsuitable for the provision of the service due to safety, access, operational, or site specific constraints.
- Applicants or their secondary contacts may be contacted by the City from time to time to confirm if the service is still needed or may be asked to provide updated supporting information to confirm ongoing eligibility.
- This service is only available to eligible residential properties with individually assigned bins and is not available to any other property type deemed ineligible by the City including but not limited to, aged care facilities, retirement villages, and short stay accommodation.
- The service is provided at the recipient's risk. While reasonable care will be taken, the City or its Contractor will not be responsible for loss or damage except where required by law.
- Bins must be stored in the agreed location and have a safe and unobstructed path to the verge on collection day.
- Bins that are overloaded (lids cannot fully close), excessively heavy, contaminated or otherwise do not comply with the City's waste collection requirements may not be serviced. The recipient will be responsible for rectifying any non-compliant bins.
- If the service is missed on the scheduled collection day, the recipient must notify the City or its contractor within 48 hours.
- The City reserves the right to review, amend, suspend, or withdraw the service at any time.
