

Cloth nappy rebate

We are offering a cloth nappy rebate to reduce waste and encourage sustainable change.

City of Bayswater residents are able to apply for a 50% rebate of up to \$100 for either the hire or purchase of modern cloth nappies. The cloth nappy rebate can be accessed once per household.

Workshops

Residents need to attend a Cloth Nappy Workshop organised by the City of Bayswater before applying for the rebate. Visit our website for a list of scheduled workshops.

How to apply

The application form will be sent to you after attending an eligible Cloth Nappy Workshop. Applicants will have to provide a copy of the cloth nappy hire or purchase receipt, the completed form and proof of residence within the City of Bayswater to claim the rebate. This rebate does not include any transport, postage costs or cloth nappy accessories.

The rebate is supported by the Government of Western Australia and administered by the Waste Authority

Did you know that each disposable nappy takes around 500 years to break down in landfill?

Cloth nappies are a sustainable alternative to disposables: 6,000 disposable nappies can be replaced by 30 cloth nappies. By making the switch, households can substantially reduce the amount of landfill waste they generate.
