

ELECTRONIC WASTE (E - WASTE) COLLECTIONS

Do you have an old TV unit or computers you wish to dispose of?

Residents and small businesses within the City of Bayswater can bring these items to Bayswater's Transfer Station **FREE** of charge. This initiative is the collaboration between the City of Bayswater, Cleanaway and TechCollect.

These items will be taken to a Material Recovery Facility for RECYCLING, diverting them from landfill, reducing dumping and recovering valuable resources.
