Dear Club President / Secretary

SUMMER SEASON 2016/17 GROUND ALLOCATION

The City is inviting ground allocations for the coming 2016/17 Summer Season.

The Summer Season commences Monday 3 October 2016 through to Sunday 19 March 2017. Ground priority is given during the pre-season period to the current Winter Season clubs up to and including Sunday 18 September 2016.

Some grounds may be available during September for pre-season training, subject to bookings and usage by the current Winter Season clubs, and end of season ground maintenance.

Attached is the Summer Season 2016/17 Ground Application Form which includes the Conditions of Season Ground Use. Please read, complete and submit the enclosed application form **no later than Monday 22 August 2016**. Following this date ground space may be allocated to new clubs or club applications pending on a waiting list.

If relevant it is important to indicate which area of the reserve / ground you wish to utilize when completing the form, (for example if you were requesting R.A. Cook Reserve you would indicate Gummery St Football Field and/or Barker St Football Field, or Turf and/or Synthetic Wicket, or if requesting Lightning Park indicate Northern or Southern Oval etc).

Only your Home Game fixture dates are required together with days and times of all training sessions. If at this stage you do not know your home fixture dates please indicate which day and time of the week your home fixtures will be played. Clubs should then forward all scheduled home fixture dates as soon as they are allocated by your association.

Please note that grounds will be closed for essential end of season maintenance from Monday 19 September to Sunday 2 October 2016.

Should you have any queries regarding completing your application form or your ground allocation request please do not hesitate to contact Debra Bloxham, Recreation Services on 9272 0992.

Yours sincerely
