

Significant Tree Register

Registration Form

Tree No: 8

Genus: *Pinus* **Species:** radiata

Common name: Pine Tree

Location: 15 Georgina Street, Bayswater

Location on Property: Verge

Height: 14m

Canopy Width: Tree 1 NS: 20 EW: 18m

Diameter of the trunk at breast height: 122

Diameter of the trunk at ground level: 123

Statement of significance:

These two Pine trees have been in situ since the late 1950's, and were possibly planted by some of the first residents of the street.

They have developed to be large trees with a very good form for the species.
