Mayor's message

Mayor Filomena Piffaretti

0402 189 707

filomena.piffaretti@bayswater.wa.gov.au

I was delighted to recently launch our renovated facility at much-loved aquatic leisure centre, Bayswater Waves. Just in time for the summer holidays, we were able to reopen the ever-popular wave pool, which was refurbished along with the lazy river, toddler pool and pool hall. Final elements of the \$11.6 million upgrade included remodelling the foyer, expanding the group fitness room and numerous access and inclusion improvements. The refurbished site has so much to offer and I am so proud we have been able to deliver this on your behalf. I encourage you to head along with the family and check it out.

Something very exciting is coming to Morley in March with the launch of our very first food festival. Feed Me Morley will celebrate the diverse food culture within the Morley town centre with a two-week food festival from Saturday 9 March to Sunday 24 March. Don't miss the launch event, Morley Street Eats, on Saturday 9 March from 5pm to 8pm at the Progress Street Precinct and Coventry Village.

In this edition, you can read about the placemaking grants set to beautify our town centres. Seventeen successful local businesses and community groups will receive grants to help improve their shopfronts to attract customers and encourage visitors to linger longer.

Finally, I encourage you to join us at the Civic Centre on Thursday 7 March for Women's Impact, a free, inspirational afternoon celebrating International Women's Day.

Locals flock to Morley for Community Concert

Pat O'Hara Reserve became a melting pot of jazz, hip-hop and First Nations music on Saturday 3 February for the City of Bayswater Community Concert.

Community members enjoyed soulful Noongar songs by Gina Williams and Guy Ghouse, and upbeat bops by ZERO Emcee accompanied by jazz sensation the 950 Express Big Band.

In addition to the musical performances, the evening's entertainment included Aboriginal and contemporary dancing, didgeridoo playing and children's activities.

The City acknowledges Lotterywest as a major supporter of the City of Bayswater Community Concert – Ngala Maya (Our Place). The event was also presented with the support of the City's community partner, iAct Film & Drama Studios.

City celebrates top citizens

The City recognised five locals' outstanding contributions to the Bayswater community with the 2024 Community Citizen of the Year Awards.

Presented in partnership with Auspire, the awards celebrate the achievements of individuals dedicated to serving the community. The City also presented its own Outstanding Women in Leadership Award.

Award recipients have dedicated their time to supporting the community across the areas of health and wellbeing, small business, environmental conservation and local history.

What is your favourite dish from a local café?

Lately, I'm working my way through the many bánh mì offerings throughout the City. Bite My Banh Mi, Roll vs Bowl, Munch Box Lunch Bar, MCQ, V&V Bánh Mì and Le's Café – there are just so many to choose from. Get on it!

What is the best activity for kids or teenagers in the City?

Our skate and bike offerings have taken a huge step forward. Baysie Skate Park has the biggest half pipe in WA, and the new pump tracks under the Redcliffe Bridge will be opening very, very soon.

What is it you love about the Bayswater community?

The real sense of community. We love a good old-fashioned barbecue and over the warmer months, there are heaps of street parties and neighbourhood catch-ups going on. So wonderful to see!

Community DIVES IN to enjoy Waves refurbishments

The completion of refurbishment works at Bayswater Waves was celebrated with a special reopening day in February.

The much-loved aquatic facility has undergone a staged \$11.6 million upgrade with the final stage of works ending early this year.

The final stage of the facility's refurbishment included:

- retiling the wave pool, lazy river and toddler pool
- significant expansion of the group fitness room
- remodelling the foyer and entrance
- new tiling to the concourse, indoor change rooms and café areas
- redesigning the upstairs function room
- a new administration area, and
- new upgraded bench seating throughout.

A bright and colourful water-themed mural from artist Peter Ryan was also added above the 25-metre pool.

Access and inclusion improvements have been made in the family change rooms and throughout the pool hall, including new handrails, ramp extensions and the installation of tactile markers.

Numerous sustainability improvements have included upgrading the remaining lights to LED.

Previous works included refurbishing the 25-metre indoor pool, hydrotherapy area and 50-metre outdoor pool, upgrading the surrounding pathways, pool hall and grandstand, refurbishing the outdoor change rooms, and adding a Changing Places facility and a pool hoist.

Cr Assunta Meleca

How would you encourage people to get involved with their community?

There's no better way to actively engage with the community than by supporting local. Attend local events, volunteer, join sporting clubs and community groups, or buy from small businesses. Supporting local fosters connection, creates a sense of belonging and invests in the future of our City.

What business do you think has a unique offering?

The food offerings at Coventry Village make it a culinary wonderland. Coventry Village offers a unique dining experience, and is a melting pot of cultural cuisine. The City is lucky to have a dining destination that caters for all ages, and offers flavours from around the globe under one roof.

What's a great weekend activity in the area you would recommend?

The Bayswater Foreshore is an ideal weekend destination catering for all ages. Enjoy a stroll along the riverside path to explore the picturesque environment, discover flora and fauna, and immerse yourself in the serenity of the natural surroundings.

Placemaking grants set to beautify Baysie

Seventeen local businesses and community-led projects are set to receive grant funding thanks to the City's Placemaking Grants program.

The successful applicants will receive grants of up to \$3,000 to help improve shopfronts and enhance the City's town centres. Businesses will contribute half of the project cost.

Popular Maylands cafés, Sherbet Café, Mrs S and Steamhaus, will spruce their front windows to create inviting entries for customers.

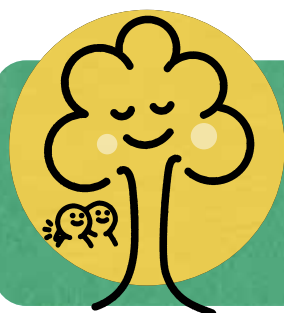

3.8 Baysie and Taste of Middle East will use the funds to improve their alfresco areas, while Bayswater Trading Association and Philip Elliott will create photo exhibitions featuring Baysie shopkeepers and locals.

Morley businesses, King Hotpot, Discount Garden Pots, Morley Mower Centre, Classic Secondhand, JB Military Antiques and Success Tax Professionals will install new signage. King Barbeque is set to completely redesign the entrance to their restaurant.

Morley Noranda Recreation Club will beautify their facade by upgrading their garden beds.

Bedford hairdresser Haircon and Café 60 on Walter also received funding to improve their shopfronts.

The projects are expected to be completed by 30 June 2024.

Waterwise gardens flourish with City's Plants to Residents program

The City is encouraging residents to create their own waterwise gardens and help build a climate change resilient community with its Plants to Residents and Waterwise Native Verge programs.

Launching on Sunday 5 May, residents can purchase 10 local native plants for \$10 through the Plants to Residents program, which is run in collaboration with Environment House.

The City is also offering rebates of up to \$500 to residents looking to swap out grass and hard surfaces for native plants, mulch and street trees this winter, as part of its Waterwise Native Verge program.

By participating in these programs, residents can help reduce water consumption and enhance biodiversity within the City.

Both programs are proudly co-funded by Water Corporation's 'Waterwise Greening Scheme' and will help the City become a leading waterwise Council.

For more information and to apply, visit bayswater.wa.gov.au/verge

Residents asked to monitor trees for borer beetle

The City is assisting the Department of Primary Industries and Regional Development in asking residents to monitor and identify potential host trees for signs and symptoms of the Polyphagous Shot-Hole Borer (PSHB).

This tiny beetle causes serious damage to many trees, but particularly loves to hide in the Box Elder Maple (*Acer negundo*).

The PSHB bores into trunks, stems and branches and fosters fungal decay that can lead to dieback and death of the tree.

Establishment of this pest in WA would have significant impact on trees, native vegetation and agricultural industries.

Detection of PSHB is difficult as they are about the size of a sesame seed; however, there are a number of symptoms that indicate a tree may be infested. For more information, visit agric.wa.gov.au/borer

What can I do?

Check both your private trees and verge trees. If you have a Box Elder Maple (*Acer negundo*) or notice any suspicious signs on a tree, you can report this by:

- downloading the MyPestGuide™ Reporter App
- visiting mypestguide.agric.wa.gov.au
- calling the Pest and Disease Information Service on **+61 (0)8 9368 3080**
- emailing padis@dpird.wa.gov.au

What would you say is Bayswater's best-kept secret?

You might not realise, but Bayswater has a vibrant arts community. Ellis House Community Art Centre holds regular exhibitions, and Laneway Art Space hosts art classes. You might have also noticed some beautiful new murals popping up around the area, celebrating our City's history and our future.

What do you love about the Bayswater community?

I love how connected and caring our community is – neighbours stop for a chat at the playground or coffee van. In Baysie, we help each other out and join groups – just look at the Bayswater Women's Workshop and the Men's Shed, Baysie Rollers, Bayswater Toy Library and Environment House.

What is the best activity for kids or teenagers in the City?

Over summer, our family has been heading to Maylands Waterland, Riverside Gardens and the City's public libraries (especially when it's too hot for toddlers outside). The City hosts many free events for kids and teenagers that are great for families.

Running low on compostable kitchen caddy liners?

Don't forget each household gets two rolls of FOGO liners for free each year. FOGO liners are available for collection at the Civic Centre or the City's libraries. Please bring proof of residence along with you.
