## **LOCAL PLANNING POLICY REVOCATION – SHORT-TERM ACCOMMODATION POLICY**

The City of Bayswater hereby gives notice that Council at its Ordinary Council Meeting on 23 July 2024, resolved to revoke the City's Short-Term Accommodation Policy.

This policy has been revoked due to State planning reforms, and inconsistencies with the changes to the tourism and short-term rental accommodation planning framework currently being progressed by the State Government.

There are no changes to the requirements for development approval or the permissibility of short-term accommodation resulting from this revocation.

The Council Meeting minutes can be inspected at the City of Bayswater Civic Centre and on the City's website.
