What's a great weekend activity in the area you would recommend?

Head to Bayswater Waves with the kids on a Sunday morning. They also serve the best hot chips. If your kids are furry and four-legged, a splash at Riverside Gardens is hard to beat.

What is your favourite community group?

As my son grows and becomes interested in sports, I've become very appreciative of the variety of local sporting clubs Bayswater has to offer — swimming at Bayswater Waves, tennis at the Bayswater Tennis Club, Bedford Junior Cricket Club etc. It's great to have so many local options.

What business do you think has a unique offering?

Tallboy & Co. Megan and Ben source and import amazing mid-century furniture and sell it from an unassuming warehouse in the industrial part of Bayswater.

What is it you love about the Bayswater community?

My wife and I love the passion everyone has for their neighbourhood and wider community. Everyone who lives here is invested in making it a safe, vibrant and desirable place to live.

What is your favourite dish from a local café?

Almost anything at 3.8 Baysie. Kevin is the owner and chef, and the food is always excellent.

How would you encourage people to get involved in their community?

Our local environmental Friends groups do amazing work helping manage the natural areas along our river as well as other significant pockets of bushland like Lightning Swamp in Noranda. They always need more helpers.

Find your closest one on Facebook, through Environment House in Bayswater or reach out to me.

What is your favourite local business?

Pearl River has opened a new restaurant on Russell Street in Morley after their previous venue was destroyed in the Morley Market fire.

They offer a huge number of delicious hotpot and grill options (as well as dim sum during weekend lunch service). I'm thrilled to see them continue in Morley.

How do you like to keep active?

I spent a lot of time last year cycling along the river and throughout the City of Bayswater after getting a cargo bike. My two favourite places to walk or cycle are through Baigup Wetlands and Malgamongup/Bardon Park.

I love the well-shaded paths and stopping to spot birds (or even a quenda) along the way. I'm grateful for the work of volunteers and City staff who look after these special places.
