Responsible Pet Ownership

The City of Bayswater encourages responsible pet ownership. Please find some relevant information for dog owners below. If you have any queries about your responsibilities as a dog owner you are able to contact the City of Bayswater Rangers and Security on telephone 1300 360 333.

Is the microchip in my dog the same as a registration tag?

Microchipping and registration tags are not the same. Microchipping is another form of identification for your dog.

It is compulsory for any dogs over 3 months of age to be microchipped. If you move house, make sure you update your details with your local council and also with the microchip registry (you have to contact both organisations separately). Registration assists lost dogs being reunited with their owners.

Do I have to have my dog on a lead when the dog is under control?

Yes, all dogs must be held by a lead when they are in a public place. If you own a dog you have a legal responsibility to keep it under control either within a fenced area on your property or on a leash when in public. Your dog must be under effective control at all times, including exercising in designated areas.

How many dogs can I have?

You must have approval from the City to keep more than two dogs on your property. Please contact Rangers and Security on 1300 360 333 for further information.

How can I stop my dog barking?

Dog nuisance is one of the highest areas of complaint the City receives about dogs.

If your dog barks for an extended period or for frequent shorter periods you may be contacted by a neighbour or a Ranger.

If you receive a complaint about your dog causing a nuisance, set the scene as if you were to go out, then walk back to your premises and check the dog's behaviour.

Contact your local vet for information about solving nuisance barking or other behaviours.

Dog Attacks

The City takes all reported dog attacks seriously. If you or your dog is involved in a dog attack seek appropriate Medical/Veterinary assistance and contact the City immediately on 1300 360 333.

Rangers will attend any dog attack that is in progress.

Any person that owns a dog that has attacked may face a fine of up to \$10,000.

A dog does not have to bite a person for it to be classed as a dog attack. An attack also includes chasing, damaging, or otherwise being aggressive.

Restricted Breeds and Declared Dangerous Dogs

Some breeds such as Pit Bull Terriers have been restricted in Western Australia. Other dogs may have been declared dangerous by a Local Government.

Laws require these dogs to be on a lead and muzzled, even in a dog exercise area, and be wearing a red and yellow reflective collar.

If you see a dog with a reflective red and yellow collar and it is not muzzled or held by a lead, please call the City of Bayswater Rangers immediately on 1300 360 333.

Dog Exercise Areas

The City of Bayswater has a large number of dog-friendly areas, where your dog can enjoy a run around without the restrictions of being held on a lead.

A full list of dog exercise areas is available at our website at www.bayswater.wa.gov.au

When you have your dog in an exercise area you are required to have a lead in your hand, be in a reasonable proximity to your dog, and be capable of attaching the lead to your dog.

At all times, you are required to maintain control over your dog. This means that your dog should not be permitted to move towards other people using a reserve. Please be aware that some people may feel threatened if a dog starts moving towards them. Simply call your dog to return to you.

What do I do if I lose my dog?

If your dog is ever missing it may have been picked up by a Ranger and taken to our animal impound facility, located at 15 Wright Street, Bayswater (Corner of King Street, Bayswater).

To see if your pet is safe and sound in our pound please call Rangers and Security on 1300 369 333 or visit the pound between 1pm and 1.30pm Monday to Friday or by appointment.

All dogs impounded are photographed and uploaded to our website at www.bayswater.wa.gov.au.

Removal of dog excreta (faeces)

Dogs droppings are a source of annoyance to other users of footpaths and recreation areas. Please respect other people and collect your dog's droppings. The City of Bayswater provides "poo bags" in some public places. Dog droppings in the garden at home should also be removed daily to reduce fly and health related problems.
