KRA Vision	Our community is diverse, cohesive and inclusive. We enjoy safe and accessible connections to services, events, activities and recreational spaces that support health, wellbeing and resilience. Our Aboriginal and heritage are respected, supported and celebrated.	Our inviting and thriving centres are connected via safe, accessible transport infrastructure and green spaces that enhance liveability. Our attractive neighbourhoods offer diverse and quality housing options. Our assets are well planned and managed for current and future generations, with consideration for the City's heritage.	Our valued natural environment is biodiverse and resilient to the changing climate. We use our resources wisely, minimise waste and have net zero emissions. Our community enjoys our green open spaces and tree-lined streets.	With diverse opportunities for businesses and investment, our distinctive centres offer multiple uses and attractions. Local businesses are thriving, experiencing growth, benefitting from partnerships and offering a variety of local employment options.	Our City is governed with ethical and accountable decision-making to ensure we provide for our current and future generations. We deliver effective and efficient service to our community, with open communication and engagement. We advocate, partner and invest wisely to meet our community's needs.
