

It's no secret that looking after our health becomes even more important as we get older. By improving your strength and balance, you reduce your risk of falls and injury later in life.

In partnership with Injury Matters, the City of Bayswater is offering free exercise classes to people 55 years and over as part of a six week Stay on Your Feet program. This is your chance to try-out a range of fitness classes on offer in the City of Bayswater, free of charge and without any ongoing commitment.

Stay on your feet

Free exercise program for over 55s

Classes

Silver Sneakers

Features a range of low-impact exercises specially designed for seniors to increase functional strength flexibility, bone density and fitness.

Yoga for Seniors

Using a variety of methods, this class is a flowing style that incorporates familiar Yoga poses tailored specifically for over 55s, designed to help you safely improve your mobility, strength and balance.

Pilates

This class focuses on maintaining optimal alignment, joint stabilisation and creating a balanced muscular tone by consciously improving posture, flexibility and developing core strength. Modifications can be given to suit various fitness levels.

Health Assessments

Health assessments will be conducted at the start and at the end of the program. They will include checks of your blood pressure, pulse, oxygen saturation and blood glucose to measure your progress throughout the program.
