

# Waste and Recycling Guide 2026/27

The contents of your FOGO bin will be **composted**.

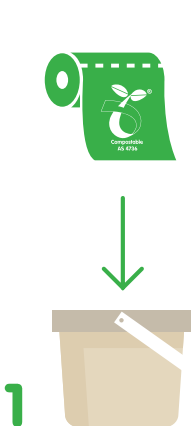

The contents of your recycling bin will be recycled into **new material**.

The contents of your general waste bin will go to **landfill**.

# Using your FOGO kitchen caddy

- 

1 Line your FOGO caddy with your certified compostable liner.
- 

2 Place all your food scraps in the caddy and other compostable material like coffee grounds.
- 

3 After 2 - 3 days, or when the liner is full, put it in your FOGO bin. Food scraps can also be placed loosely in the bin.

Only use caddy liners that are certified compostable under Australian Standards.

## Compostable liners

The City provides rolls of certified compostable FOGO liners free of charge. You can collect liners from one of the City's libraries or the Civic Centre at 61 Broun Avenue, Morley. Please bring identification that shows your address.

You can also purchase compostable liners from supermarkets and hardware stores. Look for the seedling symbol on the packaging, which means it is compostable under Australian Standards.

# Household hazardous waste

**Household hazardous waste (HHW) can contain chemicals or substances harmful to people and the environment and should not be placed in any household bin.**

Examples include:

Gas cylinders & aerosols

Batteries

Flammables

Corrosives

Pesticides & herbicides

Poisons

Fire extinguishers (non-halon)

Paint and solvents

Fluorescent lights

These items can be dropped off for free at a permanent HHW facility. Limit of 20kg or 20L per material type per day. For more information and drop off points, visit [wastenet.net.au/hhw](http://wastenet.net.au/hhw)

## Batteries and light globes

Household batteries and light globes contain non-renewable and potentially harmful materials and are not safe to place in your kerbside rubbish bins. Recycle them at one of the City's recycling stations:

- Bayswater Waves
- City of Bayswater Civic Centre
- The RISE
- Morley Sport and Recreation Centre
- Bayswater Library

Batteries can also be recycled at registered B-cycle drop off points located at major supermarkets and hardware stores. Visit [bcycle.com.au](http://bcycle.com.au) for all locations.

No commercial quantities. For more locations, visit [recycleright.wa.gov.au](http://recycleright.wa.gov.au)
