

City of
Bayswater

Let's go FOGO

February 2021

Acknowledgment of Country

Ngalla City of Bayswater kaatanginy baalap Noongar Boodja baaranginy, Wadjuk moort Noongar moort, boordiar's koora koora, boordiar's ye yay ba boordiar's boordawyn wah.

The City of Bayswater acknowledges the Traditional Custodians of the land, the Whadjuk people of the Noongar Nation, and pays its respects to elders past, present and emerging.

What is FOGO

FOGO is the weekly collection and processing of food scraps, organic garden material, and other compostable items.

These will be turned into compost, instead of valuable food waste being taken to landfill.

GO bin becomes FOGO bin

Once FOGO starts, you can place food organics and other compostable items into your lime-green lid kerbside bin, along with your garden waste.

Bin sizes and collection day

- Same bin sizes – 240L capacity for each of your three kerbside bins
- Same collection day (day of the week)

When bins will be collected

- FOGO bin (lime-green lid bin): weekly
- General waste bin (red lid bin): fortnightly
- Recycling bin (yellow lid bin): fortnightly.

The general waste bin and recycling bin will be collected fortnightly on alternate weeks:

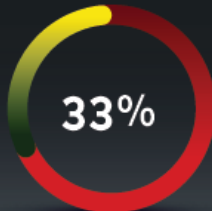

State Government Direction

The Waste Authority's *Waste Avoidance and Resource Recovery Strategy 2030* sets targets for recovery of municipal solid waste (MSW) in the Perth and Peel regions:

- 2020 – Increase MSW material recovery to 65%
- **2025 – Increase MSW material recovery to 67%**
- 2030 – Increase MSW material recovery to 70%

State Government Direction

Bin System	Resources recovered	Typical recovery rate
2-Bin system 	<ul style="list-style-type: none"> ✓ Recyclables ✓ Bulk verge waste 	 <div>33% diversion from landfill</div>
3-bin Garden Organics (GO) system 	<ul style="list-style-type: none"> ✓ Garden waste ✓ Recyclables ✓ Bulk verge waste 	 <div>48% diversion from landfill</div>
3-bin Food Organics Garden Organics (FOGO) system 	<ul style="list-style-type: none"> ✓ Food waste ✓ Garden waste ✓ Recyclables ✓ Bulk verge waste 	 <div>66.5% diversion from landfill</div>

Waste diversion results of Melville FOGO trial in 2017-2018. FOGO gets the best results.

Who will get the FOGO service?

Phase 1 Commencing from March 2021	Phase 2 Date to be confirmed
<p>Residents, groups and businesses who currently have a kerbside collection with wheelie bins.</p> <p>Includes:</p> <ul style="list-style-type: none"> • single houses • grouped dwellings or villas (with kerbside bins) • sporting clubs • community groups and • businesses. 	<p>Residents with a shared onsite bulk bin collection.</p> <p>Includes:</p> <ul style="list-style-type: none"> • residents in multi-unit developments such as townhouses, apartments or units (with shared onsite bulk bin collection). 

When will FOGO start?

- We will start delivering kitchen caddies to each household during March.
- Shortly after you receive your caddy, the collection frequency of your bins will change.
- Information will be provided in the caddy to let you know when to start putting your FOGO bin out weekly.

Using your kitchen caddy

1

Line the caddy with your compostable liner. You can use newspaper instead when your bags run out (newspaper is compostable too).

**2**

Place all your food scraps in the caddy and other compostable material like coffee grounds and paper towels.

**3**

After 2-3 days, or once the liner is full, place it into your FOGO bin. Food scraps can also be placed loosely in the bin.

Compostable liners only

- Your caddy will come with two rolls of compostable liners – enough for a year.
- The City will continue to provide an allocation of liners for residents.
- You can also purchase them from some supermarkets and hardware stores.
- Use only caddy liners that are certified **compostable** under Australian standards.

Compostable

What goes in the FOGO bin?

Place these items in your FOGO bin

All food organics including:

- ✓ Vegetable and fruit scraps
- ✓ Meat and bones
- ✓ Seafood
- ✓ Eggshells
- ✓ Teabags and coffee grinds
- ✓ Dairy products
- ✓ Take away food (no containers).

Garden waste:

- ✓ Grass clippings
- ✓ Prunings, cuttings, trimmings
- ✓ Twigs and sticks
- ✓ Palm fronds
- ✓ Weeds.

Other compostable items, including:

- ✓ Animal droppings
- ✓ Kitty litter
- ✓ Hair
- ✓ Paper products with food oil on them (e.g. pizza boxes)
- ✓ Tissues, paper towel and shredded paper.

What doesn't go in the FOGO bin?

Do not place these items in your FOGO bin

- ❌ No products you currently put in your yellow lid recycling bin
- ❌ No plastic bags (bread bags, shopping bags or garbage bags)
- ❌ No plastic packaging (bubble wrap)
- ❌ No nappies (including both disposable and cloth nappies)
- ❌ No personal hygiene products
- ❌ No treated and painted timber
- ❌ No building products
- ❌ No metals
- ❌ No glass
- ❌ No plastic plant pots, garden hoses, seedling trays or garden tools - the only 'garden products' that can go in are things grown in the garden (green waste/garden organics)
- ❌ No textiles (e.g. old clothing or cloth nappies).

No nappies, plastic or glass.

What goes in the Recycling bin?

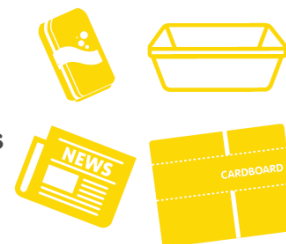

Place these items in your yellow lid recycling bin

- ✓ Glass bottles and jars
- ✓ Paper - not shredded (including newspaper and magazines)
- ✓ Cardboard - flattened
- ✓ Plastic bottles and containers
- ✓ Steel and aluminium cans.

Loose

Items should always be loose. Bagged items cannot be recycled.

Rinse

Empty and rinse your recyclables to reduce contamination.

Lids off

Remove lids from bottles and containers.

What goes in the Recycling bin?

DO NOT place these items in your yellow lid recycling bin

- ✗ No aerosol cans or gas bottles
- ✗ No batteries or electronic items
- ✗ No clothing or textiles
- ✗ No materials in plastic bags
- ✗ No nappies, hygiene or sanitary products
- ✗ No soft plastics (e.g. plastic bags and wrappers)
- ✗ No ropes, cables or hose
- ✗ No UHT cartons (e.g. long-life milk, soy milk).

No food scraps

**No batteries or
hazardous waste**

No clothing

No nappies

What goes in the General Waste bin?

Place these items in your red lid general waste bin:

- ✓ General rubbish items
- ✓ Hygiene products
- ✓ Nappies
- ✓ Polystyrene and soft plastic
- ✓ Coffee pods
- ✓ Disposable coffee cups
- ✓ UHT cartons with silver linings (e.g. long-life milk)
- ✓ Clothing and textiles.

Do not place these items in your red lid general waste bin:

- ✗ No food organics or garden organics
- ✗ No clean recyclables
- ✗ No hazardous waste including aerosols, light globes, chemicals or batteries
- ✗ No hot ashes or liquids
- ✗ No sand or soil
- ✗ No building products (bricks, tiles etc.).

What doesn't go in any kerbside bin?

- Household Hazardous Waste (HHW) can contain chemicals or substances harmful to people and the environment.
- These items **cannot be placed in any of your kerbside bins** and must instead be taken to an appropriate disposal facility.
- Visit the City's website for details of where you can drop off these items.

Gas cylinders
and aerosols

Batteries

extinguishers
(non-halon)

Paint and
solvents

Fluorescent
lights

Baywaste Transfer Station

271 Collier Road, Bayswater

Opening hours:

Monday to Friday: 7.30am - 4pm

Saturday and Sunday: 10am - 4pm

- All general household waste is accepted including all batteries.
- No asbestos or Household Hazardous Waste (except oil and batteries).
- Bayswater residents only may drop off refrigerators that are not degassed (proof of residency required).
- Certain types of electronic waste can be disposed of free of charge.

E-WASTE THAT WILL BE ACCEPTED

All computers and tablets

All computer peripherals and accessories

(eg. cables, keyboards, mice, hard-drives and webcams)

All printers, faxes, scanners and multi-functional devices

All TVs

Recycling Batteries, Globes and Mobile Phones

- Household batteries and fluorescent light tubes contain non-renewable and potentially harmful materials making them unsafe to place in your everyday rubbish bin.
- Mobile phones have many useful recyclable components.
- Residents can dispose of these products safely at one of eight recycling stations around the City.
- Please visit the City's website for details of what can be dropped off at each location.

Recycling Soft Plastics

- Plastic bags cannot go in your recycling bin, as they become entangled in the machinery at the material recovery facility.
- However, plastic bags and other soft plastic items can be taken to major supermarkets for recycling.
- Look for the REDcycle collection bin at the front of the store.
- To find your closest REDcycle collection point visit www.REDCycle.net.au

Recycling Clothing

- Clothing and other good quality household items that are not stained, damaged or broken can be donated to charity shops.
- “If you wouldn’t give it to a mate, don’t donate”
- Visit giv.org.au to find a charity drop-off point near you.
- If the charity bin is full, please don’t dump unwanted items next to the bin. This illegal dumping costs charities thousands every year, to lawfully dispose of the dumped items.

Community Engagement Opportunity

**Engage
Bayswater**

SHAPE BAYSIE

The City of Bayswater is now in its final stage of the Strategic Community Plan review.

We are seeking your feedback on the draft plan. This is a check-in with our community to ensure we have taken your input and developed a plan that reflects the communities aspirations and priorities.

How to get involved:

Online at engage.bayswater.wa.gov.au

In person at the City of Bayswater Civic Centre or Maylands, Bayswater and Morley Library.
Or come and see us at one of our pop-ups.

See the website for details.
