

# Placemaking Seed Funding for Town Centres

Morley | Bayswater | Noranda | Maylands

We're looking for innovative community-led projects from not-for-profit community groups that will enhance our town centres. These could be an event, a greening project, an arts initiative, street furniture, or anything that will bring vibrancy to public spaces. The City is offering funding of \$1,000, \$2,000 or \$3,000.

To apply, email your proposal by Monday 9 September to:
