Proposed Road Closure - 172 Lawrence Street, Bedford

The City of Bayswater has received a request to close an unmade section of road reserve adjacent to No. 172 Lawrence Street, Bedford.

In accordance with Regulation 9 of the *Land Administration Regulations 1998*, the City is undertaking community consultation in relation to this proposal.

The road reserve was originally planned to allow for a future road widening. This requirement has since been reconsidered and is no longer considered necessary.

If the road reserve is closed, the applicant intends to amalgamate the land with their adjoining property. The City's role is to undertake public advertising and consider submissions received during the consultation period. Following the conclusion of advertising, the matter will be reported to an Ordinary Meeting of Council.

Council will then make a recommendation to the Department of Planning, Lands and Heritage, which will forward the matter to the relevant State Government Minister for a final decision.

Submissions on the proposed road closure may be submitted to the Chief Executive Officer, City of Bayswater, PO Box 467, Morley, WA 6943 or via email to mail@bayswater.wa.gov.au, on or before **4:30pm, Thursday 19 February 2026**.
