As a progressive Maylands resident, parent & local volunteer, from the Maylands Street Festival to many community and environmental groups, I understand the importance of getting results for our community.

Serving as your Councillor I have a proven track record achieving great outcomes including: Funding for Maylands Brickworks. Significant investment in Maylands for activation & infrastructure. Planning amendment to restrict vape shops. Urban Forest Strategy Implementation. Redevelopment of Maylands Waterland

I will: Preserve the Brickworks for community use & benefit. Prioritise better street lighting & improving our streets & parks. Ensure public places are designed to be safer & inclusive. Further enhance & protect our natural environment. Support revitalisation of Maylands Town Centre.

I have a Diploma of Local Government & work for the Royal Flying Doctor Service. I am hardworking & dedicated. I need your support and vote to keep Building a Better Future for Our Community.
