Inclusive mural takes pride of place in Maylands

The City has unveiled its first Pride mural to recognise and celebrate its LGBTQIA+ community.

Located on Lyric Lane in the heart of Maylands, the colourful mural painted by renowned artist Jordan Rush features drag queens from *Priscilla Queen of the Desert*, an iconic Australian film that helped introduce positive LGBTQIA+ themes to a mainstream audience, rainbows, and angel wings to symbolise protection and courage.

We're proud to unveil our first Pride mural, not only for the importance of raising inclusivity awareness, but to help us develop our town centres into recognised safe hubs for the LGBTQIA+ community.

The City is a wonderfully diverse community and supporting the completion of this mural highlights our commitment to being inclusive.

Last year, during the City's annual PrideFEST celebrations, feedback was gathered from the community and the City's Inclusion and Diversity Advisory Group to better understand how we could best represent the LGBTQIA+ community in a new mural.

It's fantastic to see the community's vision for this collaborative project come to life through a mural that encourages and celebrates the differences that make us all unique.

Is your property bushfire ready?

From 1 November to 31 March each year, residents and landowners must ensure firebreaks on their properties are cleared and maintained to protect the community from potential bushfires, in line with the *Bush Fires Act 1954*.

Our team of Rangers will be out conducting property inspections throughout the firebreak period to make sure your property is fire safe.

What would you say is Bayswater's best-kept secret?

Bayswater has more graphic designers and musicians than any other suburb in WA. The City is proudly home to WA Ballet, WA Youth Jazz Orchestra and WA Symphonic Wind Ensemble, and has a fabulous community of artists, makers and arts professionals. Visual artists can practise their craft at The Laneway Artspace and Ellis House Community Art Centre.

What is your favourite local business?

There are so many, it's impossible to choose just one. Head to innovative businesses like Maylands' Mosaic Collective for fabulous gifts and to support local artists, or visit ClayMake Studio to get your hands dirty and pick up fabulous ceramics at their regular markets.

How would you encourage people to get involved in their community?

Come along to our Flourish Community Arts Festival from 1 to 30 November to participate in workshops and experience art in its many forms. Festival highlights include the RISE-Up Art Market on Saturday 16 November and the City of Bayswater Community Art Awards and Exhibition from 3 to 16 November.

For more information on the City's Flourish Community Arts Festival, see page 8.

Beautifying Baysie

Bayswater town centre has received a glow-up thanks to the installation of a bright new mural, planter boxes and additional seating.

Located at 5-7 King William Street, the colourful mural by artist Graeme Miles Richards celebrates Bayswater's Indigenous history, its connected community and proximity to the Swan River and transport links.

The mural was painted with help from the community and was made possible thanks to a partnership between the City of Bayswater, RAC, the Baysie Rollers Town Team and the State Government.

In addition to the beautiful mural, 11 planter boxes and benches designed by Respoke have been placed along King William Street, Whatley Crescent and Beechboro Road South.

The added greenery and seating options create a more welcoming town centre for visitors and locals to enjoy.

The City funded installation of the new planter boxes and benches as part of its commitment to improving the vibrancy of its town centres.

Saving our Snake-necked Turtles

Last year, the City partnered with Murdoch University to help conserve the declining number of Southwestern Snake-necked Turtles.

With the support of local residents who acted as volunteers, turtles were tracked in wetlands across Eric Singleton Bird Sanctuary, Baigup Wetlands and Maylands Lakes. The program will run again this year and the City is calling on community members to volunteer as Turtle Trackers. Come along to our training session to find out more about this turtle's awesome opportunity.

Now in its second year, the festival will bring together events from local community groups and businesses in a packed program of entertainment for all ages.

At the centre of the program is the City's Community Art Awards and Exhibition, running from 3 to 16 November.

Returning in 2024 is the City's RISE-Up Art Market from 8am to 12pm on Saturday 16 November, where community members can browse market stalls for unique goods handcrafted by Perth designers.

The City will again host an Artist in Residence at a workspace located in The RISE for the duration of the festival.

Get to know Leo Flavel

Curator of the City's 2024 Community Art Awards and Exhibition

For almost two decades, Leo has been involved in the City's arts scene, working with artists and supporting the creation of an arts hub in the City.

Since opening his commercial gallery space Studio 281 in Maylands in 2007, Leo has curated more than 250 art exhibitions. Leo is a passionate advocate for the local arts community, and his business provides artists with the services to take their career to the next level.

How do you select which artworks are included in the City's Community Art Awards Exhibition?

I assess artworks against several criteria depending on the category. These can include uniqueness, saleability, price point, previous exhibition experience and cross section of genres.

What sets the City of Bayswater arts scene apart?

I think the City is genuinely passionate about the evolution of the Community Art Awards and Exhibition and is supportive of the local arts community. Having grown up in the area and spending most of my time here, I also have a personal preference towards the City of Bayswater arts scene.

What would you say is Bayswater's best-kept secret?

Lightning Swamp Bushland in Noranda – approximately 70 hectares of natural bushland on the City's northern border. With a large range of flora and fauna, the bushland is a popular destination for bird watchers and nature lovers alike.

What is your favourite dish from a local café?

I have so many, it is difficult to choose just one! For great coffee and donuts, head to Mazzy's in Noranda. For something more substantial, I love any noodle dish at Little Viet along Progress Street in Morley. Finally, for great fish and chips, you can't go past Wellington Village Fish and Chips in Noranda.

What is your favourite local business?

There are many outstanding local businesses in the City. Two that I particularly enjoy visiting are in Progress Street. K.I. Persian Grocery Service is a treasure trove of fabulous food and goods from around the world with old-fashioned service. Cartridge World is also a great business. The staff are super friendly and helpful.

Crackerjack! Bayswater club upgrades bowl over members

Bayswater Bowling and Recreation Club's doors are now wide open, welcoming community members of all abilities following a suite of accessibility upgrades through the City's Community Capital Requests program.

Upgrades have included converting the men's bathroom to two separate toilets with one now a fully renovated ambulant men's toilet and the other a brand-new all gender accessible toilet with a baby change facility.

The front entry of the club has been modified with a new gate, steps, tactile paving, handrails and a ramp to the main entry. The front door has been widened and reversed to provide a more accessible entryway for wheelchair users.

The outside toilet block has been refreshed with new non-slip tiling, doors, doorframes, basins and paintwork.

The club is pleased to now offer a more accessible venue enabling members and the broader community to enjoy the facilities with ease and dignity.

Bayswater Bowling and Recreation Club put forward \$20,000 towards the upgrades, with the City contributing more than \$100,000 following an application for the City's Community Capital Requests program.

The program is offered annually to community and sporting not-for-profit organisations looking to improve City-owned facilities and infrastructure.

Applications for the City's 2025/26 Community Capital Requests program open on Monday 4 November 2024.

Seniors Week

Seniors Week takes place each November, recognising the important role older adults play and celebrating their valuable contributions to our community.

Volunteering with the City or donating time to a range of local clubs and groups are some ways our older residents continue to give back each year.

In celebration of Seniors Week, the City will host a number of free events for the community.

These activities align with the City's Age Friendly Strategy 2021-2025, which identifies priorities, services and initiatives to support and enhance the health and wellbeing of older people in the City and how to achieve these.

With one in five people in the City to be 65 years or older by 2031, the City is committed to ensuring older adults can live a healthy, active and engaged life in our community.
