Proposed Road Closure

Notice is hereby given that the City of Bayswater is seeking to close a road reserve land to the west of the Les Hansman Community Centre, 240 Walter Road West, Morley, subject to community consultation in accordance with *Section 58 of the Land Administration Act 1997*.

The land is currently used as a carpark by visitors to the Morley Activity Centre but is formally part of the road reserve. The State Government has agreed to transfer the land to the City to ensure is available to meet the future needs of the area. For this to occur under the Land Administration Act 1997 the City must first advertise its intention to permanently close the 'road' and invite comments for a period of 35 days.

The City has no current plans for the land and it will be open to the public as a car park and thoroughfare.

The City invites the public to complete the online submission form via the City's Engagement website <https://engage.bayswater.wa.gov.au>. Alternatively, you can provide a written submission to the Chief Executive Officer, City of Bayswater, PO Box 467, Morley, WA 6943 or via email to mail@bayswater.wa.gov.au on or before **4:30pm, Friday 10 November 2023**.
