

Call for Nominations - Community Representatives to the Access, Inclusion and Walkability Advisory Committee (AIWAC)

The AIWAC provides advice and recommendations to Council relating to:

- Issues impacting people with disability, including the development and implementation of the City's Access and Inclusion Plan (AIP);
- Issues impacting older people, including the implementation of the City's Age Friendly Strategy; and
- Walkability issues, including any City plans, policies and strategies related to it.

We are seeking six community members who either:

- Reside within the City of Bayswater and are able to contribute expertise or advice on matters relating to disability access and inclusion;
- Individuals from disability service organisations and/ or disability support groups operating within the City;
- Reside within the City of Bayswater and are able to contribute expertise or advice on matters related to older people; or
- Reside within the City of Bayswater and demonstrate interest in walking and/or have local transport and road safety knowledge.

Representatives for both committees are sought for a two year term, until October 2021.

Nominations should be submitted in writing by completing the Expression of Interest (EOI) application on the City's website. The Terms of Reference and options for how to submit completed nominations are also listed on the City's website www.bayswater.wa.gov.au.

Please contact Michele Fletcher on 9272 0621 if you require further information or to request the EOI in alternate formats.

Nominations close 4:00pm on Wednesday 11 December 2019.
