

Community Bus Conditions of Hire

1. Bus Usage

- 1.1 In order for the City of Bayswater to assist in building the capacity of local community groups utilising the City's bus hire service, not-for-profit groups may hire the bus free of charge (see Footnote 1) in accordance with Council's Waivers, Concessions and Definitions for Fees and Charges Policy, up to a maximum of eight (8) times per financial year (1 July - 30 June).
- 1.2 If a not-for-profit group wishes to exceed this limit within any financial year, the bus can be hired for a fee in accordance with City's Annual Schedule of Fees and Charges. Bookings will re-set to eight (8) at the commencement of the next financial year.

Community buses are only to be used for community activities *within the metropolitan area up to a maximum of a 100 kilometre round trip*, per booking from the City of Bayswater's Paddy Walker Works Depot at 15 Wright Street, Bayswater, unless prior approval has been given by the City's Manager Community Development. A map of the boundary is included at the end of this document.

Bookings, allocations, travel to destinations beyond the prescribed limit, and scheduling of the bus to organisations outside the City are at the discretion of the Manager Community Development.

- 1.3 Community buses may be hired seven days per week (Monday to Sunday), excluding public holidays and a two week shut-down period over Christmas and the New Year. Weekend bookings will depend on driver availability. Furthermore, buses may only be hired on a daily basis (i.e. all buses must be returned to the City's Depot on the same day as being hired).
- 1.4 Community buses are only available to the hirer and must only be driven by City of Bayswater volunteer bus drivers. Third party use is strictly not permitted.
- 1.5 For community development events or programs run by the City of Bayswater, the City's booking requirements will take precedence.
- 1.6 The City of Bayswater reserves the right to refuse a request for hire of the community bus if the applicant does not meet the eligibility criteria.
- 1.7 Both vehicles are fitted with internal hydraulic wheelchair hoists to lift passengers into the bus.

Please note: Our volunteer bus drivers are not trained or permitted to administer any medicines or perform medical tasks. Volunteer bus drivers and staff are only permitted to provide basic assistance (i.e. excludes assistance with mobility).

2. Bus Bookings

- 2.1 All groups wishing to hire a community bus must submit a completed *Community Bus Hire Application Form*, available from the City's website, or from the City's Community Development Support Officer via email or post, by calling (08) 9272 0974. If a group wishes to cancel or amend a bus hire booking, the group must complete and submit a *Change in Details* form to the Community Development Support Officer.
- 2.2 To ensure equitable use, bus hire booking requests are to be made not more than three (3) months in advance.
- 2.3 In the event of a bus being unavailable for any specific date, every effort will be made to give advance notice to the user group. However, the responsibility is on the user group to make alternative arrangements at such times.
- 2.4 Bookings, allocations, travel to destinations beyond the prescribed limit, and scheduling of the bus to organisations outside the City are at the discretion of the Manager Community Development.

¹ Hire of the bus is free; however, user groups are required to refuel the bus at their own cost on the completion of each booking. See 'Bus Collection/Return' section below.

3. Bus Collection / Return

- 3.1 Bus keys and the driver's satchel must be collected from the City of Bayswater Depot Control Officer at 15 Wright Street, Bayswater, between the hours of 8.00am and 3.45pm, Monday to Friday (unless the bus has been booked for after hours' use, or prior arrangements have been made).

Please call the City of Bayswater's Rangers and Security Service team approximately 30 minutes prior to arriving at the Works Depot gate on 1300 360 333 (so the gates can be unlocked).

It is the responsibility of each hirer to refill the buses with fuel to a full tank at their cost, upon their return of the vehicle. Each vehicle used must be re-fuelled with the fuel type specified in the manufacturer's specifications. Failure to refuel incurs charges, as set out in the City's *Annual Schedule of Fees and Charges* on the City's website.

- 4.1 Only City of Bayswater registered volunteers are authorised to drive community buses.

5. Cleanliness of Buses

- 5.2 Failure to comply with a condition of hire by not leaving the bus/es clean and tidy after each use may affect the user group's ability to hire the bus again. As per the City's Management Practice, groups may be refused access to the City's bus buses at the discretion of the Manager Community Development.

6. Fees

- 6.1 If applicable, a hire fee (in accordance the City of Bayswater's *Annual Schedule of Fees and Charges*) is to be paid at the Civic Centre, prior to each journey, or as otherwise arranged.
