Message from the Mayor

I would like to thank our community for re-electing me at the recent Local Government elections and for the opportunity to represent the City of Bayswater as your Mayor.

It's exciting and humbling to be elected the first female Mayor in the history of the City. I am incredibly proud of the strong representation of women on Council, including our new Deputy Mayor.

The City of Bayswater has been my home my entire life and it is a privilege to have the opportunity to deliver outcomes for this community to which I am so deeply connected.

Your Council and I will work hard on your behalf to help our City thrive. As you will see in the pages to follow, we are delivering community facilities for everyone to enjoy – including the redeveloped Morley Sport and Recreation Centre and the refurbished Bayswater Waves.

You can also read about the steps we are taking to ensure the City is the first local government to be fully powered by WA sourced renewable energy, as part of our Emissions Reduction and Renewable Energy Plan.

I wish you and your families the very best for the festive season and the New Year; and I look forward to working with you as we continue to shape the City of Bayswater.

New Mayor leads City of Bayswater Council

The City elected its first-ever female Mayor, Filomena Piffaretti, at a Special Council Meeting on Monday 18 October, following the 2021 Local Government Elections.

At the meeting, Councillors also voted Catherine Ehrhardt as the new Deputy Mayor.

New Councillors Josh Eveson for North Ward and Assunta Meleca for Central Ward, and re-elected Councillors Elli Petersen-Pik, Lorna Clarke, Giorgia Johnson and Mayor Piffaretti were officially sworn in at the meeting.

These Councillors have each been elected for a four year term, up to 2025.

DID YOU KNOW?

The City will be livestreaming Ordinary Council Meetings, Special Council Meetings and Agenda Briefing Forums via YouTube, so you can watch the proceedings from the comfort of your own home.

All you need to do is go to our website or google City of Bayswater Council meetings and click on the link.

Get to know your new Councillors

Cr Assunta Meleca
Central Ward

What do you love about our community?

I love that the community is so welcoming and shares such pride in the place they live, with people displaying genuine care for one another. There is a mix of people from different cultural backgrounds, bringing with it a rich and diverse community for future growth.

What would you like to achieve during your term?

I would like to play a role in transforming the Morley town centre and attract retailers that will deliver a bespoke shopping experience right on our doorstep. I would also like to beautify the City and restore the Garden City concept conceived by my late father, Cr Frank Drago, with improved streetscapes and by preserving our green spaces.

Cr Josh Eveson
North Ward

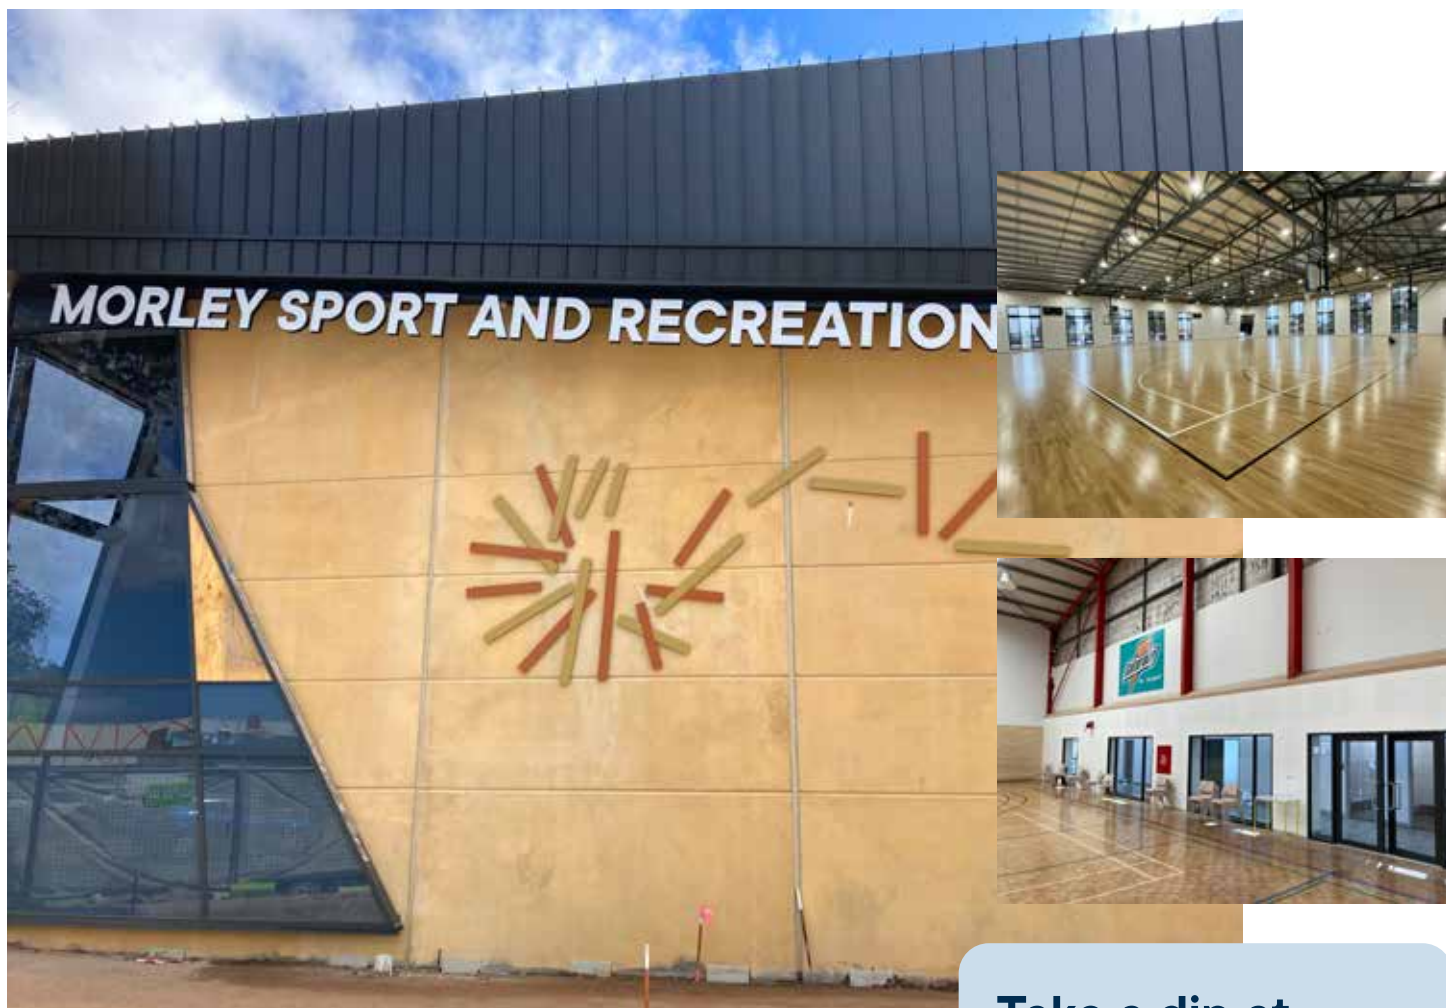

What do you love about our community?

The high quality of life. The diverse people and cultures that present such a strong sense of community, combined with our abundant open spaces and close proximity to pretty much everything WA has to offer. It's an amazing place to live.

What would you like to achieve during your term?

Ensure that outcomes are focused on improving the lives of everyone in our community, with a 'back to basics' culture. Improve safety across the district and deliver more vibrant and connected town centres to boost local employment and bring exciting investments to our doorstep.

Just in time for summer

Morley Sport and Recreation Centre ready for action

Stage one of the Morley Sport and Recreation Centre redevelopment is open and ready for the community to enjoy.

With a new sports hall featuring additional basketball, netball and badminton courts, the Morley Sport and Recreation Centre is now a premier facility with courts designed to host the East Perth Eagles in the State Basketball league, as well as a range of local sporting clubs and community activities.

Accessible change rooms and toilets form part of the redevelopment, and sports match floodlighting has been installed on Pat O' Hara Reserve.

The redevelopment was made possible because of support from Member for Morley, the Hon Amber-Jade Sanderson BA MLA, Minister for Environment, Climate Action and Commerce through a \$2million Community Sport and Recreation Facility grant from the Department of Local Government Sport and Cultural Industries, and the City's stimulus package.

Take a dip at the refurbished Bayswater Waves

The refurbishment of the 25 metre lap pool, pool hall, outdoor change rooms and plant room at Bayswater Waves should be finished by the end of the year - so get ready to make a splash this summer!

Sustainability upgrades include the installation of solar panels; and accessibility improvements include the reconfiguration of the waterside and creation of pathways to allow for wheelchair and pram access, the upgrade of the adult change rooms, and remodeling of the entry gate and accessibility ramps.

Another successful art awards

Almost 300 artworks were submitted as part of the City's annual Community Art Awards. Our thanks to everyone who took part and congratulations to the winners for 2021.

Primary School Award – William and Thea Bradley for My Neighbourhood

Best High School Entry – Luke Antenucci for Small Boy

Best Sculpture – Shane Newton for Big Girls Don't Cry

Photography Award – Clinton Price for A Safe Place

Highly Commended – Katarzyna Michalska for Shimmering Blues and Sioux Tempestt for Counterpoise

Best Ellis House Community Art Centre Member Award – Sanda Perry for Nannup Forest

Best City of Bayswater Resident – Emma Kirk for ADHD Mind

Open Award – Louise Clark for Ciao Amici (pictured)

City on track to be fully powered by renewable energy

In October, Council voted to enter into a contract with Synergy to transition its electricity supply to renewable sources, paving the way for it to become the State's first local government to be fully powered by WA sourced renewable energy.

Under the new three year contract, the City will reduce its emissions by 53% and save approximately \$400,000.

From April 2022, the City's electricity will be sourced from WA wind farms. The new contract will allow the City to reach its target of 100% renewable electricity for City operations, excluding Western Power street lighting by 2022 – three years earlier than planned.

The City's switch to renewable energy is part of its Emissions Reduction and Renewable Energy Plan and aims to mitigate the effects of climate change at a local level.

Hang out at the new outdoor space at The RISE

The outdoor space near The RISE in Maylands has been transformed into a vibrant community precinct, based on feedback from our community. The area features a small stage, furniture, giant games, festoon lighting, tree planting and signage.

Our community came out in force to celebrate the official opening and we look forward to it being a place where people can be entertained, relax and have some fun with friends and family.

Maylands Waterland

Work is progressing at the Maylands Waterland redevelopment, including the completion of the external pathway around the southern section; native planting along the riverbank; site preparation and groundworks; splash pad foundations and connecting pipework; and concrete formwork for accessibility ramps and staircases.

Unfortunately, onsite progress has been held up by greater than expected rain events over winter and spring, as well as the impact COVID-19 has had on the global supply chain and labour availability in Western Australia.

Rest assured works are progressing. We are anticipating opening the main parkland to the public in April 2022 – and we know it will be worth the wait!

Mural pays homage to our four-legged friends

More than 90 dog portraits of our local four-legged friends will feature on the refurbished toilet block at popular dog exercise spot, Riverside Gardens.

The mural by Perth caricature artist, Rick Adams, will transform an ordinary toilet block into an eye-catching building that celebrates our best friends.

The renovations to the toilet block will also include the reconfiguration of the family change room to include two Universal Accessible Toilets and the refurbishment of the existing toilets, baby change stations, slip resistant tiling and sensor LED lighting.

All this makes Riverside Gardens a more accessible location for our community to enjoy – and is thanks to a grant from the Federal Government's Local Roads and Community Infrastructure Program.

Dogs and people welcome here

In our community, everyone is welcome – including our furry friends.

Whether you are walking your dog on the street or spending some time in one of our parks, make sure you are being the very best dog-parent by:

- Picking up after your dog.
- Keeping your dog on a lead (including on footpaths) unless you are in a designated off-lead area.
- Being people and dog aware – not all dogs want to make friends with each other and not all people want to make friends with your dog.
- Making sure your pets are registered and microchipped so we can get them back to you quickly if you get separated.

With the hot weather here, make sure your pets have plenty of fresh water available, don't walk them during the heat of the day or on hot pavements, and never leave them in your car.

DID YOU KNOW?

Our Rangers and Security team are available 24/7 on **1300 360 333**.

Going away over the holidays? Let us know

If you are lucky enough to be heading away for the holidays, give the City's Rangers and Security team a call on **9272 0972** before you go. We will add your street to our 24/7 security patrol, provide a visible presence and keep an eye out for cars, lights or anything suspicious. It's another way we're working to keep you and your property safe and secure.

Roxy Lane Community Garden mural

The next time you're in Maylands, take a peek at the colourful new facade on the Roxy Lane Community Garden.

This amazing mural was inspired by ideas from a community workshop held last year with Creative Maylands, and painted by the uber-talented local artist Graeme Miles Richards.

The mural is designed to draw people in from the laneway, with its larger than life chickens, fruit, vegetables and animated creatures – and we will also be installing additional lighting over the lane and community garden.

The City is pleased to support Roxy Lane Community Garden and LACE Inc. as part of our laneways revitalisation project.

City shines at industry awards

For the third consecutive year, the City has been announced as winners at the Australian Business Awards, this year winning in two separate categories.

We have been recognised as an ABA100 Winner for Community Contribution for our Age Friendly Ambassador program; and an ABA100 Winner for Change Management for our COVID Response.

The City, in partnership with Environment House and Waste is My Resource, has also won an LG Honour Award for the Organics Matter School Composting Program.

Winning in the category of Partnerships and Collaboration, the program represents our commitment to reducing waste and building climate change resilience.

Give generously to our Christmas food appeal

Lend a hand to those who may go without this festive season by donating at one of the City's Christmas Appeal drop-off points. Donations of non-perishable food, tea, coffee and Christmas items are welcome. This year, proceeds go to Orana House.

Donation boxes will be at the following locations from 8 November until 9 December 2021:

- City of Bayswater Civic Centre
- Morley Library
- Bayswater Library
- Maylands Library
- The RISE
- Bayswater Waves.

There is lots happening in the Bayswater town centre

So come down and support your local businesses

Work is finished on a temporary public carpark in the Bayswater town centre, making it easier for you to visit local shops and businesses during METRONET's construction of the Bayswater Train Station. Located at 2 Hamilton Street, the carpark offers two hours of free parking with 24 hour access.

After parking, make sure you wander down the Bayswater laneway and see the incredible mural painted by local artist, Graeme Miles Richards. You will also be able see the mural at night, with the recent installation of festoon lighting across the laneway.

Bert Wright Park is set to be transformed with plans for a new café, shade shelter, community garden, increased tree canopy and more play equipment – all of which are sure to make this town centre park a community favourite. Work is progressing on the community garden, and the community came out in force in November to help with a planting day.

With newly painted shop fronts and colourful planter boxes, the Bayswater town centre is a great place to grab a coffee or some lunch, settle in for dinner and a glass of wine, or do a little shopping.

But don't just take our word for it – make your way to the Bayswater town centre, support your local businesses and see it all for yourself.

Are you an older person interested in taking a leadership role in our community?

The City is seeking expressions of interest from local older residents (50+ years of age) to volunteer with its award winning Age Friendly Ambassador program.

The City's Age Friendly Ambassador volunteers are making the City an even better place for older people, by linking them to practical information, activities and services and giving a voice to older residents.

Ambassadors enjoy learning new skills, drawing on their networks, and providing quality customer service to connect community members to information and resources.

Successful applicants will be invited to attend a meet and greet session to kick off a new Age Friendly Ambassador network group in March 2022. Training, support and an Ambassador kit will be provided.

For more information, contact the City's Coordinator Active Ageing and Volunteers on **9270 4107** or email **community.services@bayswater.wa.gov.au**

Expressions of interest close on 4 February 2022.

A big thank you to our volunteers

International Volunteer Day, held each year on 5 December, is an opportunity to celebrate all the amazing volunteers within the City and reflect on the valuable impact they make.

We are thankful to have a dedicated group of City registered volunteers who contribute thousands of hours each year to City programs; delivering resources through Books on Wheels, teaching older adults how to use technology, driving our community buses, and enhancing City events.

Thank you to everyone who volunteers – you are helping make the City an even better place to live.

Age Friendly Strategy launches

The City is pleased to launch our second Age Friendly Strategy. With one in six residents aged 65 years or older, it's important we make the City of Bayswater the most positive place it can be for our older community members. This strategy will guide us as we continue to create a truly inclusive community – a place where residents and visitors of all abilities and ages can enjoy this beautiful City.

Guiding our commitment to working with the community

So we can continue to meet the expectations of our community and stakeholders, improve our methods and ensure our engagement practices are up to date, we have reviewed our Community Engagement Framework – which encompasses a Community Engagement Policy and a Community Engagement Strategy.

Informed by the community and input from staff, Councillors, local businesses and stakeholders, our Community Engagement Policy has been revised and a new Community Engagement Strategy has been produced.

An implementation plan has been developed to guide delivery of the strategy, and it will be regularly reviewed and reported on to Council and the community annually.

bayswater.wa.gov.au/community/community-engagement

Extra recycling collection over Christmas

To help households manage their extra recycling over the festive season, the City will be providing an extra recycling bin collection. To take advantage of the extra pick up, put your recycling bin out each week on your bin collection days between 27 December 2021 and 7 January 2022.

Help shape the Bedford shopping precincts

Register on Engage Bayswater for workshops and community engagement activities to help us shape the Bedford shopping precincts. Engagement will be taking place for:

- Precinct 1: Corner of Grand Promenade and Craven Street
- Precinct 2: Corner of Walter Road West and Grand Promenade
- Precinct 3: Walter Road West, corner of Shaftesbury Avenue
- Precinct 4: along Beaufort Street near Chisholm College
- Precinct 5: along Beaufort Street, between Grand Promenade and Nelson Street.

This is an opportunity for locals to fill in surveys on Engage Bayswater to let us know your ideas, or to take part in walking audits of the areas and brainstorm ideas to improve public spaces and shopfronts.

engage.bayswater.wa.gov.au

Get to know your Youth Advisory Council

The City's Youth Advisory Council (YAC) are a group of local young people who catch up throughout the year, coordinate workshops, get involved with community events and help make the City a better place for young people.

It's fun, great for your CV and a good way to meet new people. If you're living, working or studying in Bayswater, Bedford, Embleton, Maylands, Morley, Noranda, Dianella or Mount Lawley, why not come along to our next YAC catch up and see if it's for you?

If you are interested in joining the City's YAC, give us a call on **9270 4122** or email yac@bayswater.wa.gov.au

Meet YAC member Galvin Phuong

Q: How long have you been involved with the YAC?

A: Coming up on six years now.

Q: Why did you join?

A: I graduated high school and was looking for a casual job before starting my first year of uni. I saw the Bayswater YAC opportunity and wanted to know what the inside of a local council was like. I stayed for the unique opportunities and friends I've made since.

Q: What do you like about being a YAC member?

A: I enjoy the feeling of being empowered in the community where I live and seeing that I can make difference. To add a cherry on top, the City of Bayswater goes out of their way to thank and appreciate their volunteers.

Q: What have you learnt by being involved with the YAC?

A: I've learned that helping others is a great way to learn about yourself. I've seen this in myself and other members of the YAC too.

Q: What's been an activity or project you've particularly enjoyed?

A: Our Friendly Footprint event last year was a fantastic day. It was a sustainability focused event, where we delivered workshops at Environment House. Not only was it the result of months of hard work, but it was a source of many lessons. Runner-up was running a stall at the 2019 Maylands Laneway festival for the Youth Action Plan consultation - we had a great time giving out donuts with the Mayor and collecting feedback.

Q: Why would you recommend other young adults get involved in the YAC?

A: It's a great way to meet like-minded people with a unique combination of fun and passion.

Pride in our community

The City was proud to celebrate our diverse community with a program full of events and activities for WA Pride Month during November – it was the perfect opportunity to celebrate the differences that make us all unique and special.

Community Capital Works Grants are now open

A new round of Community Capital Works Grant funding is open and available for City of Bayswater community and sporting not-for-profit organisations planning to improve City facilities and infrastructure.

Application forms are available on the City's website and applications are due by Friday 11 February 2022.

Contact Project Services for more information on **9208 2427** or ross.cameron@bayswater.wa.gov.au

Library programs & events for kids...

Christmas Crafts

Come along to one of our Christmas craft sessions. Make a festive Christmas sock reindeer or a bush wreath to decorate your home. Upcycle household materials to make your own gift-wrapping.

Christmas sock reindeers

 Wednesday 15 December
4-5.30pm
 Bayswater Library

Bookings essential
bit.ly/COB-Library-Eventbrite

Bush wreaths

 Friday 17 December
4-5pm
 Morley Library

Upcycling gift-wrap station

 Monday 20 December
Thursday 23 December
9am-5pm
 Morley Library

Picnic in the Park

 Tuesday 21 December
1-3pm
 Maylands Library
Amphitheatre

Celebrate the end of the year with some fun in the park! There will be face painting, bubbles, nature play and icy poles. Santa and his Elf will pay a special visit for stories and songs, followed by a photo opportunity. Help us ensure there are enough icy poles to go around - book at bit.ly/COB-Library-Eventbrite

Patti the Pig: it's not all rubbish show – ages 2-8

 Monday 24 January
10.30am
 Bayswater Library

Patti the Pig, Jenny, and Terry the Possum will take children on an educational journey that teaches them about looking after the environment with an emphasis on recycling and waste reduction. This fun and interactive show will teach kids how to sort their rubbish and what goes in which bin. No bookings necessary.

Learning English Through Storytime (LETS) – ages 3-5

 Every Friday from 11 February until 25 March
10.30-11.30am
 Morley Library

LETS is a free 7-week program for children and their parent or carer who speak languages other than English at home. These sessions will help your child build their confidence speaking English and help them get ready to start school.

Bookings are essential. Visit bit.ly/COB-Library-Eventbrite or call **9272 0980**.

Rhymetime, Toddler Time and Storytime shutdown period

Rhymetime, Toddler Time and Storytime will be taking a break from Tuesday 21 December until Friday 14 January. The last sessions of the year will be on Monday 20 December. Programs will resume from Monday 17 January.

International Day of People with Disability Storytime – ages 2-5

 Friday 3 December
10.30am
 Bayswater Library

Celebrate the International Day of People with Disability at Storytime with special guest Larissa. Larissa will share her experiences of living with a disability and read stories with Carolyn, showcasing people with diverse abilities. You will also get the chance to have a cuddle with and pat a 3-legged dog.

School Holidays

This January, head to your library to create something special. From loom weaving, illustrating, making collage postcards and puppets to science experiments, there is something for everyone. We will also have some amazing Australian animals visiting us from West Oz Wildlife. To find out more, visit our website at bayswater.wa.gov.au/arts-and-leisure/libraries/programs-and-events.

Please note, bookings are not required for these events, but please show up early to secure a place.

...and for adults

Bookings are essential – visit bit.ly/COB-Library-Eventbrite or call one of our branches.

Event	Date	Time	Library	
Book Club	3rd Wednesday of the month	6pm	Bayswater	Join one of our monthly book clubs and discover the wonderful world of literature. To ensure everyone can enjoy the same book, a small hire fee is payable each month.
