Morley | Bayswater | Noranda | Maylands

We're looking for innovative community-led projects that will enhance our town centres and embrace the City's Place Activation Plan. These could be an event, a greening project, an arts initiative, street furniture or anything that will bring vibrancy to public spaces. The City is offering funding of \$1,000, \$2,000 or \$3,000. Please note due to COVID-19, any proposals for public community events will require to adhere to social distancing rules according to the WA Government.
