FAQ's

Frequently Asked Questions

1. What type of funding opportunities does the City of Bayswater provide to support community groups and businesses for placemaking initiatives?

For the 2022/23 Financial Year the City has funding available for projects that meet the specific outcomes listed below. The maximum funding available for each grant is \$2,000 excl GST, however applications that request lesser amounts will also be assessed and considered.

Placemaking Grant - Category One

A business focused project that will improve the shopfront of local businesses to encourage visitation. Projects may include:

- shopfront signage;
- alfresco furniture;
- planter boxes and/or landscaping solutions;
- public artwork;
- window display enhancements;
- in store display enhancements; and/or
- shopfront lighting solutions.

Placemaking Grant - Category Two

A community-led project that will enhance the City's town centres and embrace the City's Place Activation Plan and aims to build stronger links between the community and local businesses, encouraging a greater degree of buying local. Projects may include:

- initiatives that support creating welcoming, thriving and vibrant town centres; and
- events or activations that drive positive economic development outcomes.

2. Am I eligible?

Businesses located within the City, community groups and groups (both unincorporated and incorporated), place activation groups and City of Bayswater residents are eligible to apply.

To be eligible for funding, the applicant:

- Cannot receive both funding from more than one City of Bayswater funding stream for the same initiative;
- Cannot received both categories of the Placemaking Grant for the same initiative;
- Must have satisfactorily acquitted any City of Bayswater previous grant; and
- Can demonstrate the capacity and capability to successfully plan, deliver and acquit an initiative.

FAQ's

7. How much funding can eligible applicants apply for?

Applicants can apply for **up to a maximum of \$2,000** for their project, subject to applicants matching a minimum of **50%** of total cost. The applicant's contribution can be cash, in-kind or a combination of both.

8. What is an 'in-kind' contribution?

Organisations often contribute to a project with their own resources. In-kind support refers to goods or voluntary work donated for the project. For example, a graphic designer might volunteer their time to design the marketing materials. These can be accepted as an alternative to a financial contribution and will need to specify in the application form.

9. Costing in-kind contributions (voluntary labour)

Voluntary labour can be calculated at the following rates:

Unskilled: \$20/hour	General work is being undertaken where no recognised qualification is required.
Skilled: \$35/hour	A person with a recognised qualification specific to the work being undertaken e.g. Tradesperson, Chef, Arborist etc.
Professional: \$50/hour	A person with a formal tertiary qualification specific to the work to be undertaken i.e. architectural, legal, engineering, surveying work or similar.

Please note that if you use voluntary labour as an in-kind contribution, you will be required to include a volunteer roster in your acquittal, and each volunteer must sign to confirm their hours.

10. Grant application process

All applications will go through the following assessment process:

1. Submit	Submission of application with supporting documentation
2. Assessment	Assessment of applications conducted by a panel
3. Outcome	Applicants are advised of the outcome of their application
4. Funding agreement	Applicants sign a funding agreement with the City of Bayswater
4. Payment	Funds provided to successful applicants
5. Project delivery	Project delivered within specified timeframe, as per funding agreement
6. Acquittal	Applicants complete acquittal within 30 days of the conclusion of the project

11. When will applicants know the outcome of their grant application?

Once applications close, the City will take up to 14 working days to assess applications received. In the event that this timeframe is extended, applicants will be informed in writing of the delay and revised assessment timeframe. Each applicant will be notified of their grant application outcome.
