2024 MAYOR'S MESSAGE

The City of Bayswater Community Art Awards and Exhibition is one of our leading events and a wonderful platform for artists to showcase their talent.

The arts have an important role to play in enriching the lives of our residents, and helping the City remain a vibrant, attractive place in which to live, work and play.

The calibre of artworks selected for this year's exhibition is nothing short of outstanding, with pieces submitted across a variety of mediums, including oil, watercolour, acrylic, textiles, digital media, ceramics, photography and sculpture.

I hope you consider purchasing a piece to take home once the exhibition has finished. Thank you to all artists who shared their talents with us by entering their works, and I offer my congratulations to all of our winners.

I also extend my thanks to those involved in bringing together this event, including our 2024 sponsors Art & Craft World Morley, Community Bank Bayswater, Ellis House Art Centre and Seasonal Brewing Co.

Enjoy the exhibition!

2024 JUDGES

JADE DOLMAN

Jade Dolman is a Whadjuk/Balladong Nyoongar, Eastern Arrernte woman from Boorloo/Perth.

She is a mural artist and remains connected to her culture through painting and her family.

Her art shares stories of the land prior to colonisation and highlights the resilience we have as Noongar people to have maintained our strong cultural connection to boodjar.

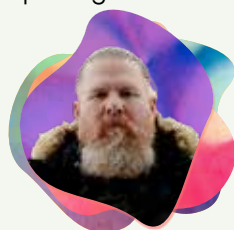

ROSS POTTER

Ross Potter is a Kamilaroi man and professional artist living on Whadjuk Noongar Boodjar in Walyalup/Fremantle. He works with pencil and paper to produce highly detailed, often large-scale representations of his subjects.

Through magnifying microscopic features, Ross brings the abstractions of reality to our attention, while telling compelling stories of everyday life.

Ross' work has been presented in numerous exhibitions and the Fremantle Biennale and WA Museum Boola Bardip. Ross has undertaken artist residencies across WA, with his first international residency in Iceland.

ANDREA VINKOVIC

Andrea Vinkovic completed an Advanced Diploma of Art and Design in ceramics in 2002. She was ceramic technician and lecturer at Central Institute of Technology, and at the Midland campus of Polytechnic West.

She has exhibited her work across Australia and beyond since 2001, including Gangjin, South Korea; national ceramic conferences in Bendigo, Brisbane, Sydney and Hobart; The University of Western Australia; multiple Sculpture by the Sea exhibitions at Cottesloe, WA and Bondi, NSW; and the 2022 Venice Art Biennale.

Andrea manages, teaches and mentors at ClayMake Studio in Maylands with her daughter Emma, and runs Blue Studio Ceramic Residency in Lesmurdie.

2024 CURATOR LEO FLAVEL

For almost two decades, Leo Flavel has been involved in the City of Bayswater's arts scene, working with artists and supporting the creation of an arts hub in the City.

His career and Maylands business Studio 281 have allowed him to work closely with a range of people to represent the arts and promote positive wellbeing in our community.

Since opening his commercial gallery space in 2007, he has curated more than 250 art exhibitions.

Leo has curated the City of Bayswater Community Art Awards and Exhibition every year since 2019.
