Bin Services Continued

Your bin may not be collected for the following reasons:

» Bin not presented on verge by 6am on collection day.
» Contaminated recycling bin.
» Overweight (70 kg limit).
» Overfilled (lid must be closed).
» Placement (keep one metre away from obstructions).
» Bin set out (wheels must face away from kerb).
» Jammed (rubbish stuck / jammed in bin).
» Using a bin not provided by the City of Bayswater.

Please report missed bins within 48hrs by calling (08) 9272 0605.

Properties with insufficient verges for bulk bin, mattress or whitegood placement, please call (08) 9272 0605 or go online for alternative arrangements.

Mattress and White Goods Collection Service

To arrange a collection, call the City of Bayswater on (08) 9272 0605. Each household will have a maximum of two collections per year.

Place the item/s (fridge with doors removed or taped shut) in an accessible location on your verge, only on the day of your collection, as advised by Cleanaway. Fridges do not need to be degassed.

Please note we are unable to collect from inside private property.

Drop Off your Household Batteries and Fluorescent Bulbs for Recycling!

Dispose of your household batteries at the recycling stations located in the City of Bayswater Libraries, the Council Administration Centre, The Rise, Galleria Shopping Centre, Morley Recreational Centre and Noranda Shopping Centre.

Bulk Bins & Collection Services

Green or blue bulk bins (08) 9272 0605 or order online.

The City of Bayswater provides both general waste (blue) and greenwaste (green) bulk bins. Households are entitled to any combination of three bulk bins per year (excludes commercial and industrial premises). All bulk bins are 3m³ in size.

The greenwaste from the green bulk bins is mulched and reused, reducing the amount of waste sent to landfill.

Please keep greenwaste free of contamination.

Blue General Waste Bulk Bins - Weekday bins are delivered Monday or Tuesday and will remain on your property for three nights and two days.

Weekend bins will be delivered Thursday or Friday and will remain on your property over the weekend and will be collected either Monday or Tuesday the following week.

Green Greenwaste Bulk Bins - are delivered on Wednesday and will remain on your property for seven days.

Approximate delivery time will be dependent on seasonal demand.

For logistical reasons some bulk bins may contain rubbish when delivered to your property. The rubbish will be emptied the same day.

Residents can also swap their bulk bin entitlements for tip passes to the Bayswater Transfer Station at 271 Collier Road Bayswater (if required).

Using bulk bins correctly

• Don’t fill the bulk bin over the top of the bin edge.
• Don’t have contents sticking out at angles above the top of the bin, as this can interfere with the truck’s lifting gear.
• If you have a greenwaste bin, only dispose of grass clippings, leaves, branches (1.5 m length, 15 cm width), plants, prunings and weeds.
• No lawn sods are to be put in any bulk bin.

Please remember:

• Leave the bin where it has been placed by the Cleanaway driver.
• Keep the area clear so the Cleanaway driver can easily remove the bin.
• Bins may be delivered full but will be emptied by 6pm at the latest the same day.
• If a bin needs to be emptied by the City of Bayswater due to misuse, the resident will be responsible for costs incurred.

Waste Management Customer Service Requests
