<p>Pedestrian Crossing - Guildford Road Maylands (old ref: 5/2019)</p> <p>OCM: 23 July 2019</p> <p>COUNCILLOR: Cr Catherine Ehrhardt</p> <p>CARRIED: Yes</p> <p>DETAILS: The Council request that the CEO arrange investigation of the options for a protected (signalised or grade separated) crossing point on Guildford Road (between Morrison Street and Belgrave Street) and report on the options available, inclusive of all funding options, be presented to Council by November 2019 for consideration in the City's 2020/21 budget process.</p>	23/07/2019	30/06/2020	1/07/2021	<p>Enquiries were made to Main Roads WA (MRWA) to consider the provision of a signalled controlled crossing within close proximity to the Ferguson Street intersection between Morrison Street and Belgrave Street as was originally requested.</p> <p>MRWA have however not supported this type of crossing facility at this point in time given there are existing pedestrian refuge islands on either sides of Ferguson Street. The pedestrian crossing volume along this section of Guildford Road is also not high enough to meet the warrants for a signalised crossing.</p> <p>In the Feb 2020 OCM, the amended resolution is to consider funding of video surveys for these intersections to assess pedestrian crossing. This was conducted at the time. No further action undertaken related to this item.</p> <p>Note: this was 4 years ago and it is likely that ped numbers and timings at the intersections have changed since this review was initially requested.</p>	Complete

Prepare a report on adopting a staged "Safe Routes to School" Plan aiming to better connect all the schools in the City of Bayswater with their surrounding school catchments, by improving conditions and facilities for pedestrians and bikes along major access routes (including through new path connections, pedestrian-priority street crossings, shade tree planting and traffic signage).</p> <p>2. Include in the report:</p> <p>(a) as a first stage, a detailed implementation program for a demonstration project at Maylands Peninsula Primary School, after undertaking preliminary consultation with relevant stakeholders, such as the School, the P&C Association, the Department of Transport, Main Roads and the Department of Education.</p> <p>(b) an investigation of grant options to implement such changes (e.g. the Connecting Schools Grant available through the Department of Transport's Your Move program).</p> <p>3. Present the report to Council at the Ordinary Council Meeting in February 2020.</p>	06/08/2019	29/02/2020	1/07/2021	<p>The City in conjunction with the Department of Transport (DoT) presented parents at Maylands Peninsula Primary School on 12 May 2021 with an overview of an online survey that will enable parents to provide input in relation to the route they take to attend school in an aim to deliver better connection and facilities for pedestrians and cyclists to the school. The next phase of the project will be DoT and the City develop the online survey which is expected to be complete by 31/12/2021.</p> <p>A schedule to engage with the school was prepared and SR2S with Maylands Peninsula Primary School completed along with a list of feedback items already addressed.</p>	Complete

Waste Management At City Of Bayswater Facilities And Events OCM: 22 February 2022 COUNCILLOR: Cr Giorgia Johnson DETAILS: That Council: 1. Authorises the Chief Executive Officer to investigate and report back to Council on the development of a project plan, including engagement planning, to implement waste management practices consistent with the City of Bayswater waste strategy at all its facilities and events by: (a) Prioritising the use of reusables for food and drinks at all City facilities and events, including events held at City of Bayswater facilities or reserves. (b) Providing adequate FOGO or composting education, bins and collections wherever there is organic waste, such as the City’s dining or break rooms, food preparation areas, community centres, events held at any City facility or reserve, and City of Bayswater leased areas such as club rooms, cafes and kiosks. (c) Ensuring Container Deposit Scheme (CDS) or Containers for Change collection receptacles and collections are provided wherever drinks are sold or provided at City facilities, leased areas and events. (d) Providing adequate recycling education, bins and collections wherever there is other recyclable waste such as clean paper and cardboard at City facilities, events including community events and leased areas such as club rooms, cafes and kiosks. 2. That surplus funds raised from any Containers for Change collection arranged by the City be donated to a different local organisation each year. 3. That food businesses and food vans operating at City of Bayswater facilities, reserves or events prioritise the use of reusable containers for food and drink or provide refundable or compostable containers with appropriate collections.	22/02/2022		4/03/2022	Carried. As per the NOM, City officers have implemented changes to help improve waste management at City facilities and events, with a focus on resource recovery and diversion of waste from landfill. These changes are also in accordance with the City’s Waste Plan, which is reviewed by the Department of Water and Environmental Regulation annually. It was determined a memorandum was sufficient rather than the report to Council.	Complete
