Pedestrian Crossing - Guildford Road Maylands (old ref: 5/2019) OCM: 23 July 2019 COUNCILLOR: Cr Catherine Ehrhardt CARRIED: Yes DETAILS: The Council request that the CEO arrange investigation of the options for a protected (signalised or grade separated) crossing point on Guildford Road (between Morrison Street and Belgrave Street) and report on the options available, inclusive of all funding options, be presented to Council by November 2019 for consideration in the City's 2020/21 budget process.	23/07/2019	30/06/2020	1/07/2021	Enquiries were made to Main Roads WA (MRWA) to consider the provision of a signalled controlled crossing within close proximity to the Ferguson Street intersection between Morrison Street and Belgrave Street as was originally requested. MRWA have however not supported this type of crossing facility at this point in time given there are existing pedestrian refuge islands on either sides of Ferguson Street. The pedestrian crossing volume along this section of Guildford Road is also not high enough to meet the warrants for a signalised crossing.  In the Feb 2020 OCM, the amended resolution is to consider funding of video surveys for these intersections to assess pedestrian crossing. This was conducted at the time. No further action undertaken related to this item.  Note: this was 4 years ago and it is likely that ped numbers and timings at the intersections have changed since this review was initially requested.	Complete
